Sub : Revised timings for RRCAT Medical Centre.

Due to increasing trend of Covid-19 positive patients in Indore in general and in RRCAT Colony in particular, a proposal of RMC for revised timing to help share the workload by all the available doctors and able to attend to corona related queries of beneficiaries more effectively was discussed in Crisis Management Committee in its meeting held on 18.04.2021. The Competent Authority has considered the proposal mooted by RMC and recommended by Chairman, ACRMC and decided that the revised timings of RMC will be as follows with effect from April 26, 2021 and will remain effective till further orders:

From 09.00 A.M. to 5.00 P.M. (From Monday to Saturday)

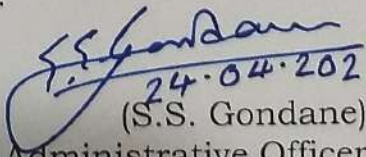

I/c RMC will ensure that maximum number of doctors and medicals staff are available during this period to attend to beneficiaries.

3. The Physiotherapy Centre will also function from 09.00 A.M. to 05.00P.M.

4. All CHSS beneficiaries may please note that the revised arrangement is being made to maximize availability of Medical Officers and supporting medical staff in RMC. The beneficiaries are required to consult the RMC doctors on phone and **'In-person'** consultations will be strictly allowed only with prior appointment given by the doctor on phone. The new timing is considered keeping in view the better availability of RMC doctors to attend to phone calls by the beneficiaries for 'Tele-consultancy' and minimize contact of beneficiaries in RMC premises.

6. With a view to containing spread of CORONA, co-operation and unconditional support from all is solicited.

7. This is issued with the approval of Director, RRCAT.
