

To be provide on the company letter head

Date:

Deceleration

Dear Sir,

Please find enclosed herewith duly signed client registration form (ARPF/OFR/02) for radiation processing at ARPF, Indore, for the following items manufactured by M/s.....

S. No.	Generic name of product	Material construction	of	Intended use of irradiated product
1.				
2.				

I have gone through the terms & conditions as mentioned in the client registration form (ARPF/OFR/02), product registration form (ARPF/OFR/03), order registration form (AROF/OFR/04) and will be abide on me.

I certify that the above mention products do not require loan license from the FDA for irradiation purpose.

In case any issue regarding licensing of these products, their manufacturing and sterilization arises, I, being the owner of the product will bear full responsibility. ARPF/RRCAT/ Department of Atomic Energy/ Government of India will not be responsible or liable for any claim or issue pertaining to these products.

I request ARPF, RRCAT to provide electron beam irradiation service as mentioned in the order registration form.
