कार्यकानाम	:	रा.रा.प्र.पौ.के., इंदौर के जी-ब्लॉक ऊर्ध्वाधर विस्तार में आंतरिक विद्युतिकरण का कार्य।
Name of Work	:	Internal Electrification of G-Block vertical extension at RRCAT, Indore.
Estimated Cost	:	Rs 2,12,70,000/-
Earnest Money: Deposit(EMD)	:	Rs 4,25,400 /-

INFORMATION AND INSTRUCTIONS FOR BIDDERS FOR e-TENDERING

PART A: GUIDELINES FOR E-TENDERING :-

The bidders are required to submit soft copies of their bids electronically on the CPP portal, using valid **class-III digital signature certificate**. The instructions given below are meant to assist the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP portal.

More information useful for submitting online bids on the CPP portal, may be obtained at : <https://eprocure.gov.in/eprocure/app>.

1. REGISTRATION :	
	1. Bidders are required to enroll on the e-procurement module of the Central procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link "Online bidder Enrolment" on the CPP portal which is free of charge. 2. As part of enrolment process, the bidders will be required to choose a unique username and assign a password for their account. 3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP portal.

	4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usages) issued by any Certifying Authority recognized by CCA India (e.g. Sify, nCode, eMudhra etc.), with their profile. 5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC to others which may lead to misuse. 6. Bidder then, login to the site through the secured log-in by entering their user ID/password and the password of the DSC/e-Token.
2.	SEARCHING FOR TENDER DOCUMENT : 1. There are various search options built in the CPP portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value etc. There is also an option of advanced search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP portal. 2. Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP portal to intimate the bidders through SMS/e-mail in case there is any corrigendum issued to the tender document. 3. The bidders should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/help from Help desk.
3.	PREPARATION OF BIDS : 1. Bidders should note into account any corrigendum published on the tender document before submitting their bids. 2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid. 3. Bidders, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF/XLS/RAR/DWF/JPG formats. 4. To avoid time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to be bidders. Bidders can use “ My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. NOTE : <i>My Document space is only a repository given to ease the uploading process. If bidder has uploaded his documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.</i>
4.	SUBMISSION OF BIDS : 1. Bids shall be submitted online only at CPP website: https://eprocure.gov.in/eprocure/app.

	2. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission date & time. Bidder will be responsible for any delay due to other issues. 3. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document. 4. Bidder has to select the payment option as “offline” to pay the tender fee/EMD as applicable and enter details of the instrument. 5. Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be submitted preferably in person. However, EMD sent by speed post shall also be preferable. The EMD shall be submitted to the pay and accounts officer, PO-RRCAT, Indore – 452013 latest as mentioned date in part B point no. 13 as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission. Otherwise the uploaded bid will be summarily rejected. 6. The agency shall download the pre-bid clarification if any for the work and upload the same (scanned copy) duly signed and sealed. The revised documents if any, shall be uploaded in e-tender portal. 7. Bidders may please note the following also regarding taxes and other liabilities etc: i. This work comes under Works Contract. Taxes applicable for such contracts must therefore be included in the quoted rates. ii. The contractor should be registered as mandated in the law relevant to GST. iii. The Goods & Services Tax (GST) as applicable for “individual materials, equipment, tools etc.” and “individual items as well as overall offer” need to be included in the quoted rates/tender offer. Department shall not entertain any claim pertaining to reimbursement of GST, WCT, Turnover tax, Income tax, Corporation tax, EPF & ESI, Labour cess and all other taxes etc. lawfully paid by the contractor. iv. (iv) Labour Welfare Cess @ 1 % / as applicably by Government on gross value of work done shall be deducted from each running bill& final bill. v. (v) Applicable, income tax/corporation tax, cess, TDS on GST, security deposit etc. shall be deducted from each running bill & final bill. vi. (vi) The bidder must possess valid EPF & ESIC registration as per relevant laws. The bidders need to deposit EPF & ESIC with appropriate authority. The reimbursement for the same shall not be made. vii. The payment of wages to labourers should be made through bank. 8. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the SKY BLUE coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the file name. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
--	---

	9. Bidders are advised to upload their documents well in advance, avoid last minutes rush on the server or complications in uploading. CSD, RRCAT, in any case shall not be held responsible for any type of difficulties during uploading the documents including server and technical problems whatsoever. 10. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document. 11. The server time which is displayed on the bidder's dash board, will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time line during bid submission. 12. Submission of tender documents after due date & time (including extended period) shall not be permitted. 13. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized person until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields, is done. Any bid document that is uploaded to the server, is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to a symmetric encryption using buyers/bid opener's public key. Overall, the uploaded tender document become readable only after the tender opening by the authorized bid openers. 14. Upon the successful and timely submission of bids (i.e. after clicking "Freeze Bid Submission" in the portal) the portal will give a successful bid submission message and a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details. 15. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings. 16. Intending bidders are advised to visit this website regularly till closing date of submission to keep themselves updated as any change/modification in the tender will be intimated through website only by corrigendum/addendum/amendment.
5.	ASSISTANCE TO BIDDERS : 1. Any queries relating to the tender document and the terms & conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender. 2. Any queries relating to the process of online bid submission or queries relating to CPP portal in general may be directed to the 24x7 CPP Portal Helpdesk. 3. All bidders who have locked in (Not Guest Login) with their respective credentials in

	NIC & have downloaded tenders, must clicked on FAVOURITE button, so that the tender will move into their FAVOURITE ZONE, to get the uploaded corrigendum intimation from website.

Also, bidder must submit undertaking along with bid for percentage (%) local content of the offered item in subject tender. II) For electrical works 'clause-2' local suppliers' as defined in public procurement (preferred to make in India), order 2017 are eligible to participate for subject tender.</i>
1.1	Electrical License – Valid electrical contractor license and valid supervisory competence certificate.
1.2	Proof of registration with Government / Semi Government organizations like CPWD, MES, BSNL, Railways, State PWDs etc. in appropriate class (if any) AND having experience in execution of similar nature of works.

1.3	Should have satisfactorily completed the works as mentioned below during the last seven years ending previous day of last date of submission of tenders : a) Three similar works each costing not less than Rs 85.08 lakh or b) Two similar works each costing not less than Rs 127.62 lakh or c) One similar work costing not less than Rs 170.16 lakh Important Note : 1. Similar work shall mean: electrification of buildings. 2. Cost of work shall mean gross value of the completed work including the cost of materials supplied by the Client, but excluding those supplied free of cost. The value of executed works shall be brought to the current costing level by enhancing the actual value of work at a simple rate of 7% per annum; calculated from the date of completion to the last date of receipt of applications for tender. 3. If the eligible similar works are not carried out in Central Government / State Government / Public Sector Undertaking of Central or State Governments / Central Autonomous bodies, then TDS certificates should be produced by bidder for the same.
1.4	Should have had average annual financial turnover of Rs 212.70 lakh in Electrical works during immediate last three years ending 31st March, 2025 . (Scanned copy of Certificate from CA to be uploaded)
1.5	Should not have incurred any loss in more than two years during the last five years ending 31st March, 2025 .
1.6	Should have valid bank solvency of minimum of Rs 85.08 Lakh not older than one year from last date of tender submission. Bank solvency should either be issued in the name of RRCAT or it should be a general solvency "Addressed To Whom so ever it may concern". The solvency certificate issued after the last date of tender submission shall not be accepted.
1.7	The bidding capacity of the bidder should be equal to or more than estimated cost put to tender. The format of Bidding capacity is given in Annexure –I. The Sealed and signed Annexure-I shall be submitted along with tender. Without annexure-I the tender will be summarily rejected.
1.8	List of works in hand & List of works including SIMILAR work carried out by them for last 7 years counted from last date of submission of bid indicating i) Agency for whom executed, ii) Value of work, iii) Completion time as stipulated and actual, or present position of the work.
1.9	List of construction plant, machinery equipment's, accessories & infrastructure facilities possessed by the agency to complete the work in time.
1.10	List of technical staff they possess and proposed to deploy for the work
1.11	CERTIFICATES: (Scanned copy of original certificates to be uploaded).Please see part D also. i) Registration Certificate (if any). ii) Performance Certificates iii) GST Registration. iv) PAN (Permanent Account Number) Registration. v) EPF and ESIC registrations

	stipulations and/or having adverse report on the works carried out by them in the past.
3	Information and Instructions for tenderers posted on website shall form part of tender document.
4	The tender document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website CPP site https://eprocure.gov.in/eprocure/app free of cost. The detailed NIT can also be viewed & downloaded from www.rrcat.gov.in .
5	Obtaining of Standard Documents : In addition to the above, the prospective agencies shall be required to possess following documents with them separately, which shall form part of tender document for this work : 1) Conditions & Clauses of Contract. These documents can be downloaded on line from CPP portal .
6	The bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft or Pay order or banker's cheque or Deposit at call receipt or Fixed deposit receipt and bank guarantee of any scheduled bank towards cost of 'EMD' in favour of " Pay and Account's Officer, RRCAT, Indore ".
7	On opening date, the contractor can login and see the bid opening process.
8	Certificate of Financial Turn Over: At the time of submission of bid, contractor may upload Undertaking / Certificate from CA mentioning Financial Turnover of last 3 years or for the period as specified in the bid document.
9	The Commercial bid is provided along with this tender document at https://eprocure.gov.in/eprocure/app . Bidders are advised to download this commercial bid as it is and quote their offer/rates in the permitted columns and upload the same in the commercial bid. Bidder shall not tamper/modify downloaded price bid template in any manner. In case if the same is found to be tempered/modified in any manner, tender will be completely rejected and tenderer will be debarred from doing business. Contractor must ensure to quote rate of each item. The column meant for quoting rate in figures appears in SKY BLUE colour. In addition to this, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0" . Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).
10	Canvassing in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable for rejection.
11	The Department reserves the right to accept / reject any prospective application without assigning any reason thereof. Department does not bind itself to accept the lowest tender and reserves itself the authority to reject any or all of the tender's received without assigning any reason. All tenders in which any of the prescribed conditions are not fulfilled or incomplete in any respect are liable to be rejected.
12	Short listing of the bidders shall be subject to thorough verification of their credentials after opening of part-"A" of tender, department may constitute the technical evaluation committee or team of experts for evaluation of bids and bidders. In this regard, department representatives may visit the selected work sites of ongoing/completed works and facilities of bidders to evaluate their capability. The performance report from the concerned executing authorities are clients may also be considered for short listing, if desired by department. The evaluation criteria are described in "Bidder's eligibility criteria" of tender. Bidders shall co-operate and submit all the documents and details on priority or short

	listing. Decision of technical evaluation committee or Dept. representative for short listing shall be final and binding to bidders.
13	IF ANY INFORMATION FURNISHED by the applicant is found to be incorrect at a later stage, they shall be liable to be debarred from tendering / taking up works in RRCAT.
14	NO MODIFICATIONS IN THE TENDER SHALL BE ALLOWED AFTER OPENING OF PART 'A'.
15	If any tenderer withdraws his tender within the validity period and before award of work whichever is earlier or make any modifications in terms and conditions of the tender which are not acceptable to the department, then the government shall without prejudice to any right or remedy, be at liberty to forfeit 50% (Fifty percent) of the earnest money absolutely. Further, the tenderer shall not be allowed to participate in the re-tendering process of the work.
16	In the case of bids in three stage system and if it is desired to submit revised financial bid then it shall be mandatory to submit revised financial bid. If not submitted then the bid submitted earlier shall become invalid.
17	The successful bidder whose tender is accepted will be required to obtained Police verification certificate (PVC) issued by the office of the superintending of Police of concerned District his own cost for his all workmen i.e. Engineers, supervisors and labourers to work inside RRCAT and should quote accordingly. The PVC will be valid for three years. In case of receipt of any adverse charter and antecedent remarks/notification against the contractor/company/firm/proprietor and/or his contract personnel, consequent to the security vetting, RRCAT reserved absolute right to terminate the contract forthwith without assigning reason/show cause notice. Under the circumstances the contractor will have no right to claim good any loss/liability that may be incurred as consequence to the above action initiated by RRCAT. RRCAT also reserved the right to forfeit in part/full performance guarantee and/or security deposit in possession of the government for failure on the part of the contractor to abide/adhere to the security instruction issued by DAE/RRCAT from time to time.
18	Tentative makes have been specified elsewhere in the tender documents based on requirement and desired performance and study of the technical parameters, manufacturing process, quality assurance /control and testing. The list is for guidance and bidder can prefer any other make which is meeting the technical specifications given in the item rate BOQ/Schedule of quantities(Schedule-'A') of tender documents and shall confirm to the relevant BIS code and other relevant codes. The bidder may suggest any make /brand, if the specified preferred make is not available in the market, meeting technical parameters, during the pre-bid stage or before technical submission.

NOTE: Prospective agencies shall satisfy themselves of fulfilling all the NIT criteria before submission of tender. Department reserves the right of non-consideration of tender of the agencies not fulfilling the stipulated criteria.
